(Insert Date)

**Regarding: Donation and Silent Auction Prize Request**

To Whom it May Concern,

We are excited to announce our **18th annual Calgary Women in Energy Golf Tournament** will be held on **Thursday, September 10th, 2020 at the Willow Park Golf and Country Club**. Once again, we will be supporting Children's Cottage Society, as we commit to a two-year term with the charities we choose to support at this tournament.

The Children's Cottage Society began in 1986 and has been dedicated to preventing harm and neglect to children ever since. Through various support services, respite programs and crisis nurseries the Children's Cottage has been recognized as a leader in providing effective programs and services to help ensure Safe Children in Healthy Families. The Children's Cottage serves more than 3000 children from more than 800 families. This refuge for children helps more than 1,400 children from 830 parents a year to receive help to deal with crises in their own lives. 86% of the participants in these programs are single moms from our local community. For more information about this charity please visit their website [childrenscottage.ab.ca](http://childrenscottage.ab.ca).

All proceeds raised through the Calgary Women in Energy Golf Tournament will provide support to the Children's Cottage Society and help protect local children and families in times of crisis. Last year we raised \$50,000 and we hope to surpass this amount this year.

This is only made possible through the generous donations we receive from members of the community, organizations, and citizens of Calgary and area like you. At this time we are asking for your help. Although we recognize the current economic situation in Calgary is still challenged, your support is needed now more than ever due to significant funding cuts to the Children's Cottage Society. **We are specifically seeking donations or silent auction items.** Any support will be greatly appreciated by Calgary Women in Energy and the Children's Cottage Society. For more information, please do not hesitate to contact us at the details below or visit [www.cwie.org](http://www.cwie.org).

Thank you in advance for your help and donations.

Regards,

Darcie Rayment
