ABOUT THE CWiE TOURNAMENT

Since CWiE's establishment in 2003, our mixed charity golf tournament has been a huge success and has collectively raised over \$500,000 for various selected local charities throughout the Calgary community. With the help and support of our incredible sponsors, participants and volunteers we are looking forward to another amazing tournament this year!

2020 CHARITY: CHILDREN'S COTTAGE SOCIETY

The Children's Cottage Society began in 1986 and has been dedicated to preventing harm and neglect to children ever since. Through various support services, respite programs and crisis nurseries, the Children's Cottage has been recognized as a leader in providing effective programs and services to help ensure Safe Children in Healthy Families.

The Children's Cottage serves more than 3000 children from more than 800 families. This refuge for children helps more than 1,400 children from 830 parents a year to receive help to deal with crises in their own lives. 86% of the participants in these programs are single moms from our local community.
